

# New Neighbor Kit

Relocation Package

Each year the Shelby County Chamber of Commerce receives numerous requests for information about Shelby County from people who are interested in relocating here. We also have many requests for relocation packets from real estate firms, local industries, and other businesses and organizations that assist people in moving to the area.

You can provide valuable information about your products and services to be included in the Shelby County Chamber "New Neighbor" packet we send out. There's no better time to promote your company or organization! New residents need new products, services, and service providers - and that can mean new business for you! Why not introduce yourself to potential customers before they establish buying patterns?

For either \$10 a month or \$100 for the entire year, your materials will be included in the relocation packet the Chamber sends out. You supply your flyer or brochure and we do the rest! (Limited to 2 items of flat materials.)

To take advantage of this member-only benefit, simply complete the form below and bring 100 copies of your materials and payment to the Chamber office at 316 Main Street, Shelbyville.

*\*The New Neighbor program replaces the Relocation Subscription service and will run from April 1 - March 31 annually.*
