During this exciting week-long acting camp, students will prepare a collection of several 10-minute plays. Students will be cast in a variety of roles and we will spend the week learning how to bring characters to life on stage. More advanced students may be able to perform several roles, while beginning actors will focus on one or two roles they can really dive into! We will learn and develop our basic theatre skillset. With a balance of fun drama games and substantial character work, every student, regardless of where they are on their theatre journey, will be able to grow their skills and confidence! There will be a showcase at the end of the week.
